## Vendor Representatives:

As President-Elect of the IAASE, I want to invite vendors who provide services or products to students with special needs to be exhibitors at the Illinois Alliance of Administrators of Special Education (IAASE) 19th Annual Winter Conference. IAASE is a special education administrators' organization with over 1200 members. During the 2016 – 2017 school year, we were named as the Exemplary Unit of the Year by the Council of Administrators of Special Education (CASE). This year promises to be even bigger and better. Our two conferences will have a theme of “*Reaching Higher. Going Further.*” We hope that you will consider exhibiting at our conference in Tinley Park. The details are below:

February 22-23, 2018 (Exhibitors present on February 22 only)  
Crowne Plaza Springfield  
3000 South Dirksen Parkway  
Springfield, Illinois 62703

Special education directors, supervisors, coordinators and regular education administrators from around the state of Illinois will be attending this conference. This is an excellent time to share information on your product or services with these administrators.
