This academy will provide Special Education Administrators with the knowledge and ability to apply and interpret the basics of school district finances, revenue sources, regulations for special education spending and reporting. In addition, participants will learn tools to foster better communication between special education services and the business office in order to maximize supports and resources for students with special needs. Participants should come prepared with their district's Budget and Annual Financial Report from the same fiscal year.

Target Audience: Administrators, Mentors and Teacher Leaders

1 Administrator Academy credit

*Administrator Academy credit will be offered for \$15.

An invoice will be generated for this fee and can be sent to our NSSEO Central Office building.

Attn: Professional Learning or On-line payment via a credit card is available at this time.

** If you do not want to earn an Administrator Academy Credit, you can earn 6 CPDUs at no charge.
